NOTICE.

NOTICE is hereby given that an application will be made to the Legislative Assembly of the Province of British Columbia at its next session, on behalf of the City of Vancouver, for an Act to amend the "Vancouver Incorporation Act, 1921," in the manner following, to provide by such amendments for the following powers, that is to say:—

1. To amend the "Vancouver Incorporation Act" to provide for the cancelling of election proceedings on the death of any candidate nominated before the close of the polls, and for fixing another day for the nomination and election of a candidate for the office to which such candidate had been nominated.

2. To amend the said Act to provide for including on the assessment roll for the purpose of information and record all exempt parcels of land in addition to each and every rateable parcel of land, and to authorize the Assessment Commissioner and assistants to enter at all reasonable times upon any property or premises subject to assessment in order to ascertain a proper appraisal of the land and improvements thereon.

3. To amend the said Act to provide for the assessment of the right or interest of any occupant of Crown lands where the same are occupied otherwise than in an official capacity, on the basis that such lands shall be taxed at their actual cash value, as set out in section 39 of said Act, as if the occupant were the actual owner thereof during the period of such occupancy.

4. To amend the said Act to provide that notice of complaint in respect to the assessment roll shall be given in writing to the City Clerk at least fourteen clear days before the date appointed for the sitting of the Court of Revision.

5. To amend the said Act to provide for the establishment and constitution of an Assessment Board of Appeals having appellate jurisdiction over decisions of the Court of Revision in respect to rateable property in lieu of a Judge of the Supreme Court, such Board of Appeal to consist of three expert valuers.

6. To amend the said Act to provide for the assessing of and levying rates on the poles, cables, conduits, and wires of any telephone, telegraph,
